Our Notice dated 31 October 2024 in respect of Family Graves in St. Andrews Church Cemetery.

We are pleased to advise you that Blossom Coutinho, Arlene Fernandes (P.P.C. member), Marie Paul and Cornel K. Gonsalves met Rev. Fr. Clarence Fonseca and discussed in detail the issues arising out of the latest Notice.

We believe the original form, also states that once a daughter is married, she has to be buried in her husband's grave. However, the Church office is not able to convey this properly.

We are pleased to advise you that it is our opinion that everything now stands resolved with respect to daughters and their families. As long as the original grave holder gives the approval, there is no hindrance in these persons being buried in the family grave.

The grave holders of St. Andrew's cemetery are required to pay the arrears of grave fees to facilitate the maintenance of the cemetery.

AGM

We wish to thank all our Members who attended the 106th AGM held on 21st September 2024.

At the 86th AGM of the Bandra Gymkhana, our Lessee, Bandra Gymkhana through one of its office bearers made a presentation on some of Salsette society's letters in respect of our functions. However, certain facts were incorrectly presented. When our Secretary rose to address the issue and was not allowed to speak on the false narration. The Bandra Gymkhana takes wedding bookings one year in advance. To avoid any clash in respect of the dates, we had written to the Bandra Gymkhana in November 2023 for all our seven functions.

We have clarified the above for the benefit of our members of the Salsette Catholic Co-op. Hsg. Soc. Ltd. in respect of the above for the true facts.
